“ *My deepest Sympathy to all. All of my childhood memories are at your house in Spencerport. I learned to swim in your above ground pool. Thanksgiving dinners with your Mom's fancy china. She hand made me many cloth baby dolls. All of my childhood memories include your Mom and your Dad. You all were a very important part of my younger years, and I cherish all of these moments forever. Blessings to each of you, you are all in my thoughts and prayers. Your Mom and Dad are reunited now. Keep her memory alive in your Family traditions. Much Love now, always and Forever.*
