“ Thinking of whole family at this time,
Growing up as a child I spend as much time in her home as I did on my own,
And she always managed to run a "tight ship"

“ All the Krenzer Children: I'm so sorry to hear of your mom's passing. She was always a delight to us when we visited with Lindsay (when she was young), or whenever we would see her at a party. She had a smile that could light up a room. May she have everlasting peace. Love and prayers to all of you.

“ Ed & Family,
I am so sorry for the loss of your Mom. I am a hospice volunteer with Lifetime Care and I visited your Mom several times. She was a delightful woman and I loved spending time with her. My deepest sympathy to your entire family.
