“ Thinking of you all. I'll never forget going to the Lake and getting a great boat ride while meeting the coast guard, and floating around on tubes in the beautiful water. Cherish all of the awesome memories. Love you guys. 💜 our condolences "the Schmankes"

“ I had the pleasure of working with Nancy in Transportation and as a lunch/playground monitor for about 15 years. Not only was she a great driver with her caring ways for student comfort and safety but she showed concern for every student on the playground with her motherly ways. Lisa and I will miss you, dear friend, but we will never forget you. Be strong, Dan and Marissa, and always remember the fun times. Peace.

“ Nancy was a very close friend. We worked together at Sieck Wholesale 20+ years ago. I was her trainer when she started there. She was a smart, witty and vibrant lady who enjoyed life. I encouraged her to join the Pittsford School District Transportation Dept. as a driver. We continued our friendship at the bus garage. She will be sadly missed. My sincere condolences to both Dan and MARRISA. Don Heerkens
