“ Dear Uncle Lou - Dave, Wendy, Jeannie & Paul - Oh, I was shocked and saddened to hear of the loss of Norma. You folks were definitely family to the Tiberi family. I still remember the time Jeannie & I baked a blueberry pie, setting fire to the oven. Norma so looked forward to a new stove ... Lou, you had a spare coil in the garage! Norma was a wonderful person and it's hard to imagine a world without her - a great loss. I am so sorry and wish you all God's peace. Love to all, Terry

“ Dear Uncle Lou, Dave, Wendy, Jeannie and Paul! So sad to hear of Aunt Norma's passing! She was a wonderful person. I still remember my first introduction to a Zorn's turkey when you all came to Greenville with your camper(s). Much love to you all! Linda and Bob

“ *The most wonderful Mom anyone could ever have. Norma was kind, supportive, and loving. She saw the best in people. Her greatest love was her husband; Lou. He was her hero. Norma and Lou had an incredible life together. She cared about each one of her successful children and was so proud of her three grandchildren. I will miss her. Thank you, your daughter-in-law.*
