“ Owen, I miss you, I did not see you a lot recently, my fault not your's. I always thought there would be time, I should know that is not true. People, family die before you expect it. I always enjoyed seeing you, and since I moved back to the area I should have seen you more. I just thought there would be more time for Lark & I along with your Mom & Dad to get together and do things. That being said, your birthday's when you were little with Julie's family were awesome. You at my son's wedding, good. The fact that 2 of your birthday's involved you going out of your comfort zone for Grandpa's funeral and Jeremy & Nikki's wedding. I remember telling you in NC sitting in the back yard of your Grandpa Schwartz house that next year was your cousin's wedding, so next year you already had plans for your birthday because that was the day of the wedding. I don't know if you were pleased, but at least you had a lot of advance notice. It was wonderful to see you change & grow over the year's, I wish there had been more. To Mark & Julie, I cannot know what this is like, I know from my brother, horrible & devastating as he lost his son, but he endeavored to perceive, as you must also. I know this is hard to hear or wrap your heads around right NOW, but my other nephew Ricky who died always said, "You make your own happiness", So, we will be here for you, always. Embrace the challenge and carry on as Owen always did. Love Bob

“ So sorry for your incredible loss. Owen was a sweet and kind young man. Enjoyed watching him grow as a cub scout in Pack 292. He was a role model to others and lived up to the highest ideals of scouting. The world is a better place for him having been here.
