

Patricia "Pat" Bradt

December 7, 2020

On Wednesday, December 2, 2020, Patricia "Pat" Bradt, passed away at the age of 73. Pat was born on April 5, 1947 in Rochester, NY. She attended Nazareth College for a Bachelor's degree in Teaching and Syracuse University for her Masters degree in Teaching. She taught in Utica for a short time before beginning to pursue a career in social work. She worked as a social worker for 30 years and even after retirement continued to work part time. There are not enough words to describe how beautiful of a person Pat was, but to name a few, she was kind, selfless, brave, strong, and all around had the biggest heart. She spent her life putting other peoples needs before her own.

Pat was an amazing mother and the most caring wife. She cared so much for everyone. As a mother she was always supporting and a part of the social scene of her children, whether that be cheering on the sidelines of sports games, helping with boy/girl scout meetings, or applauding at dance recitals, she was fully supportive all of the time. She enjoyed traveling, sight seeing to new and exciting places and even taking a cruise with her loving husband.

Pat belonged to the Lions Club, volunteered for the Gilda's Club, volunteered for different needs for St. Christopher's Church where she was a member of, and volunteered or helped anyone else in need.

Pat was a FIGHTER. First diagnosed in 2010 with Ovarian Cancer, she came out a SURVIVOR. In 2013 it returned, and she went through another round of treatments, and once again SHE fought through it. Overcoming some hard obstacles, in early 2020 the cancer returned and she began more treatments. Her OPTIMISM and STRENGTH was inspiring for all around her during this time and even to the very end.

Family and friends may call Thursday, December 10, 2020, from 3pm-6pm at Leo Bean & Sons funeral home. 2771 Chili Ave.

We are so thankful for such beautiful and loving memories of her to keep her spirit going with us forever.

“ What a strong and caring person she was. I've know her for many years and she never gave up. Even when she was in the midst of chemo and I took her hats for her hair loss, she wanted me to leave some for her to work on. She had a long struggle and never lost sight of her faith in life and beyond. Deepest sympathy to her Mom and the rest of her family. What a gift it was to know her and share in her life.

“ I worked with Pat for many years. She was a tireless advocate for the people on her caseload. She was a kind and caring person who never had a negative word about anyone. She always saw the best in people and brought out their better qualities. She was a gift to her family, friends, and coworkers. My deepest sympathies to Ron, David, and Maria. “ This is heartbreaking news for our family as well. We have known Pat for many years and have often benefitted from her seemingly unlimited capacity to understand and care for the needs of others. Our sincere sympathy to her loving family and friends.

“ On behalf of an original "Naz" group dating from 1965, started with Pat, Peggy, Patsey, Nancy, Maureen..began with love for one another..expanded to include additional NazarethCollege buddies (BonnieAnne, Fran, and more)..continued through the decades to include food fests, adventures, travels, celebrations, remembrances..always sharing love for one another..Pat exuded acceptance, positiveness, excitement for her next community involvement, openness to support everyone whether in their time of need, or time of joy..we grieve in our sadness that Pat will not be in our daily lives..we rejoice that her faith has brought her home, in peace, and no more pain..

“ I'm so sorry for your loss. I worked with Pat at the Finger Lakes DDSO. She gave 100% for people at work.

Pat always had stories or little tid bits of Stories of her children. She took great pride in being a wife, mother and building a family.

I'm sorry to hear of her passing. May God bless you all and hold you tight at this sad time.

“ I volunteered with Pat Ragonese in the early '80s with the Rochester Chamber Associates, community service group. I remember Pat's genuine caring for people less fortunate than her. As I reminisce on our shared experiences way back when, I thought it would be good for her children to know that her loving care to others began well before they were conceived. It seems that's one of the things about all of our parents that we often don't know. I'm glad to have known Pat and saddened to hear of her passing.

“ I am so very sorry to hear about Pat's passing. She worked with our family as a care coordinator and her heart, her kindness, her thoughtfulness, and her generosity were unforgettable. In spite of her very serious health conditions she found time to be concerned and helpful with our own issues, including helping us in the aftermath of a house fire. I am so sad to hear of her passing so I can only imagine what a loss your family is going through. I hope your memories of her selflessness, love, and generosity help you through your grief. Pat was a truly beautiful person and anyone who met her was blessed to know her.

“ We are so sorry Ron for your and your family's loss. We will miss Pat so very much. She always had a cheerful greeting and that great smile when we would meet in church. I will forever see her in "her seat" near the choir during Mass. Pat was so kind and caring and the first one to recognize that someone was in need. St. Christopher's will not be the same without her.

“ I am so sorry to hear about Pat's passing. My thoughts and prayers are with her family. I worked with Pat at The Finger Lakes DDSO and shared an office with her when I was hired. Our children were about the same ages so we had lots of conversations and a lot of laughs. She was a great Social Worker.

“ I was always moved by the dedication Pat showed for all the programs she was involved with. She only knew one way to do things and that was with love and compassion for the people she served and those in need. It was an honor to work along side of her on many Lion projects and I might add she wouldn't take no for an answer when she saw the need. She will be missed by all who new her, worked with her and loved her. God Bless a truly dedicated humanitarian, may your heavenly rewards match your earthly deeds.
