“ On behalf of the members of the Gates-Chili Fire Department we extend our sincerest condolences to the North family on the passing of Pat. Pat was instrumental in moving the Ladies Auxiliary forward and was always there when their services were requested to respond to the scene of an incident.

“ To the North family: we, the officers and members of the MCVFPA, extend our deepest sympathies for your loss of Pat. Many of us have known Pat and Bob for years, and we know the special talent they both had for being of service to those in the volunteer fire service. So many offices held, so many miles traveled, so many people spoken to--all with relish and passion and sincerity. Peers of my parents, I've personally known these people for close to 60 years, and are part of the remarkable group that inspired me to become a volunteer and an active member of the regional firematic associations.

We wish you all well, and hope you know that Pat will be missed by many, and certainly cannot be replaced!!
