“ I was friends with Paul through a mutual friend Linda. They hung out for a while during their high school years. I always liked him. He was a cool guy. Very good cook and a hard-working businessman. I admired him and will miss him. My condolences to his family and friends.

I was saddened to hear the passing of Paul. We worked together at Westgate Nursing Home. My memories are of conversations of food recipes, cappuccino machines and the fun play dates with our dogs. Paul was a very caring & loyal friend who had the funniest stories. My condolences to his family.
