We are all blessed with great memories of our wife, sister, mom, momma, granny, and friend. Paula loved children and when her first grandchild was born she embraced her new name "Granny". She was always inspirational and supportive to her grandchildren. When her grandchildren were grown she volunteered with the Rochester City School District in the G2 program. She

loved being around and helping children.

Paula led a very active and busy life. In addition to watching over her family, she enjoyed exercise, including yoga and Jazzercise. Paula would relax at her camp in Old Forge, NY, where much of her immediate and extended family would also vacation.

Family and friends are invited to call on Thursday 4-7 PM at the Leo M. Bean and Sons Funeral Home. Funeral Service Friday 11 AM at the funeral home. In lieu of flowers, memorials may be made to G2, an intergenerational friendship program that promotes social and emotional strength necessary for children to learn in and out of the classroom.
