PS

I'm very sad to have read this I have wonderful memories of Shelly and when Uncle Louie was alive we used to have a lot of fun and even after he passed and I still lived in the Rochester area she was a great friend to my whole family very sad to hear this I didn't realize she was ill or I would have tried to make a trip home and to see her my condolence to the family but I know Louis is up there and he welcomed her and the two of them are having fun again

“ my sympathy to the family. Two losses of loved ones so close is a crushing experience. When I visited JoAnne over the years I would see Shell. She was kind and engaging despite her struggles. A friendship developed in Yoga class between 3 of us who struggled with our adult children... we supported one another. Now all 3 of our adult children have passed this year and the chaos and heartache have stopped leaving us with calm along with a broken heart. Now eternal peace as Joanne and Shell rest together 🙏
