“ I miss you so much dad. I will miss you until the day we meet again. I love you so much- I wish we had more time to continue to do all the things you enjoyed.. we had so many things left to do. But you are now rejoicing with your heavenly father and you are so so happy. Every day I miss you, but I know you are where you want to be.

“ Hey Uncle Denny, I wish I could've spent more time with you. It's OK now you're at peace with the family there. Say "hello" for me. Tell me a joke. I could use a laugh. I'll see you when my day comes. Just know that I've always loved you and I'm sending you huge hugs and kisses. Gone but never forgotten. You will remain with me until I gotta go. Much love Uncle.
