“ It is with great sadness that I read of Randy’s passing. My condolences to the Martell family. Many years ago I had the privilege of working with the Martell family at the Garden Factory. I remember Randy’s kindness warm smile and his easy laugh. His love of family, the business his parents created and passion for the game of golf. God bless him and welcome him into the kingdom of heaven

You will be in my heart forever.

My deepest condolences and sympathy , may God grant peace and strength during this difficult time to your entire family.

Randy was one of the best growers I have worked with. Always there for you. I had over 40 years with Monroe County and worked with Randy for at least 15 years. A great friend will be missed. John Stewart
