“ To the family of Leonard: He will be missed a great deal. Leonard was always ready to help or just sit and chat with us. He was the best neighbor anyone could have. I know he is reunited with Esther and they will be happy forever.

We love and will miss you Leonard! Thank you for all you did for us!

“ Fran, I have such fond memories of your dad and mom, and your childhood homes, with generations of family living together, lots of love and good food - my first drink of wine at the dinner table! The Cacciatore's planted the first seeds along the journey of my Christianity and for that, I will be forever grateful. My love and prayers go to you and your family. Lynn xo
