“ Pastor Bill was An amazing counselor and I thank him for drawing me closer to our Lord, Jesus Christ. He was always gentle and loving with my granddaughter as she grew from small child to teenager. He has always been there thru many trials when I have needed a shoulder to lean on. He will ALWAYS be in our hearts and we will miss him very much and cherish his memory with all the love we have for him.

“ You and your wife Judy have brought me closer to the Lord and made me see who I am and what I should be for our Father. You have given courage and calmness to my situation as your help was so important. Thank you both and God Bless. May you be at peace Bill and may your love give peace and comfort to your wife and family.

“ To the Garcia family--we can only imagine what a shock this has been. So sudden--no warning. At least I had months to prepare when I lost my first husband to cancer.

Bill was extremely giving--we all know that. A man of incredible character--something that seems so rare today!! It takes men like Billy to set an example--Lord knows we need more men and women like him!!

The only consolation is knowing that he is rejoicing with the Lord! We envy him!! Sometimes the good do die young--because the Lord wants to reward them before the infirmities and pain of old age set in. I firmly believe that!!

The days, weeks, and months ahead are going to be tough at times. Think of Billy and smile. We know he will have that effect on all of us! He is fine--happy and complete. Complete. Back with the Creator who made us.

We offer all of you our sympathy, knowing you will miss his earthly presence. But how can we be sad, knowing he is enjoying his eternal reward?

Tom is going to miss his buddy. I think that now, our presence at the Valentine's party was meant to be--what a great last memory to have of him!! Hearts for a guy with the biggest heart.

Amen.

“ *Pastor Bill was a blessing and comfort to our family during our recent losses. He was the pastor for Sonra's husband, William Nunez (also Pastor Bill's cousin) and our brother William G. Miller. We are forever grateful. He was a kind, compassionate man who will be greatly missed!!! He was also my fire brother for 31 years at the Rochester Protectives!!*
