“ Big Rick was the absolute best. He told it like it was, and always had a smirk that made me smile. His love for his boys and Teresa was evident in so many ways. You could count on seeing him at their games, hanging at the fence down by the field. Rick was such a good sport and so generous with the boys friends, including my son. Teresa and Rick opened their home to the kids time after time after time, in spite of what a pain in the ass they were. He will be so missed, by so many. Rick and Teresa have raised amazing, smart, strong young men. Ricky and Joey will look after their Mama and each other, because Big Rick showed them by example every day. Boys, your Dad will still be at all the games, and graduations, and events throughout your lives. But now he will be high above the corners of the room, or the field, and he will be watching from the best seat in the house, as proud as ever. Rick, you fought hard, man. Now rest easy....xoxo

*Dear Teresa, Ricky and Joey,
I always enjoyed talking to Rick when he would come and eat lunch with Joey at Fairbanks Road School. He always had a big smile on his face and was always so kind to all of Joeys friends. My husband Chuck remembers how he and Rick would talk at the Warehouse when Chuck would have to go over to put items away. Rick surprised Chuck one day and bought him lunch. Teresa I remember how you always spoke so lovingly about Rick and how he enjoyed always being with you and the boys. Our thoughts and prayers are with you all during this sad time. May your memories bring you comfort and may Rick rest in peace.
With love and prayers,
Chuck and Linda Alongi*

*Theresa, Ricky & Joey,
I am so sorry for your loss, The memories and joy that you shared will never leave you. Rick and I were inseparable from childhood til adulthood. He was my best friend and will always be in my heart. I have many memories that could be shared but this is not the forum for most of our exploits. I will laugh and shed a tear each time I think of him. I am so glad I was able to reconnect with him and you Theresa for a short time after such a long time. True friends don't stop being true friends no matter what the time. You are in my thoughts and prayers.*
