“ *If I could write a story it would be the greatest ever told of a kind and loving Dad who had a heart of gold
I could write a million pages but still be unable to say, just how much I love and miss him every single day I will remember all he taught me I'm hurt but won't be sad because he'll send me down the answers and he'll always be MY DAD. I love you DAD*

“ *To me , Uncle Rich embodied "true love" of family and close friends. He was always ready and willing to share his time, many talents, and wisdom to anyone in need. He shared kindness and generosity easily with others, and had a great strength to unconditionally love his wife and family which was evident and inspirational to all those who knew him. He will be greatly missed and prayed for.*

“ *We have lost a great and caring "guy" who has been so much fun to be with. He loved his family and "little Petey" and expressed it in many ways. He was dedicated to the people on his Arc bus and enjoyed each of them. We will miss him and send our love and prayers to all his family. Thank you Rich for the fond memories. Your Sister-in-law Barb*

“ Richard, "Mr.D", I can honestly say the finest man I've known. The true picture of a great husband, father, family man and friend. His genuine kindness and warmth was known and felt by everyone who knew him. Along with the many laughs he gave us over the years. More than my father-in-law, he was a great friend. It was a blessing to know him and be part of his wonderful family. Rest in peace Mr.D., gonna miss you.
