“Michelle Matt and Dick's grandchildren who he loved so much I am so so sorry he has passed. I was down with Covid on Dec 27th and was not well or aware of what was happening around me. Until today at church did I realize Dick had passed. I saw him several weeks ago as he walked out to get the mail and he was very frail. I asked if he was ok and he proceeded to tell me what he was going through. I knew then that things weren't good I said I was sorry he had to join this awful club and asked if I could give him a hug he said please do and he hugged tight and thanked me for the hug. I am sorry you kids have to go through this again I know how hard it was for you to watch your Mom go through this but as you know from your Mom your Dad will always be with you watching and loving you from above. So sorry I wasn't there to say my goodbyes but I will keep him in my prayers. R.I.P. Dick you earned it.

“ Dick was one of the nicest people I've ever met. He was the only vendor at my Scottsville Midweek Farmers' Market who was with me the whole 10 years the market was in operation. During that time he was such a kind, calm, reassuring and consistent presence. Many market nights as we were closing down he and I would discuss how the day had gone. He always had great insights and would offer guidance about how to handle issues as they came up. My family and I enjoyed many of his Onion Creek products and also had the pleasure of giving them as gifts. Dick was truly a cornerstone of our market. I will miss his steady presence in the world.

“ *Dick was a wonderful neighbor and friend. He was cheerful, welcoming, and dependable. Throughout the years as our children grew up we enjoyed gatherings at their house. "Party Time At The Minoia's" was the cry! Our neighborhood will not be the same without him! ❤️ Love & God Bless, Maryann & Don Brown*

“ *Mr. Minoia was my neighbor across the street on Cutter Drive growing up. He was one of the nicest people around. He always welcomed myself, sister and parents into his home any time. I fondly remember attending many of his family parties over the years. My sister and I grew up with his kids Matt and Michelle. He will be missed and my condolences and prayers go out to the family.*
