

## Richard T. Nadwodny

November 19, 2023

Richard T. Nadwodny

Passed away suddenly in November at the age of 85. He is predeceased by his wife, Jackie. Survived by his daughters, Lisa Ladd (Robert) and Gina Mentus (Michael); 2 grandchildren, Michael and Anthony Mentus; and sisters and nephews.

Dick was an Industrial Engineer for Xerox Corporation where he worked for almost 40 years. He was also a certified instructor of MTM (Methods Time Measurement) and taught these courses to engineers and manufacturing employees. When he retired, he became an MTM consultant and worked with Xerox Canada in their Toronto manufacturing plant.

During retirement, he and Jackie enjoyed traveling with friends and spending time in North Carolina with their grandchildren. They took several cruises and traveled domestically and abroad. Highlights include Alaska, Italy, and Kenya on an African safari.

Dick was an avid swimmer and loved summers in his backyard pool. For many years he was a member of the YMCA and swam religiously 3 days/week in the fall and winter.

He loved telling jokes. On a few of their cruises, he would take the stage for Amateur Talent night, and entertain the audience with his jokes.

He was a kind, quiet, and gentle soul, as described by many who knew him. A wonderful father, brother, Papa, and friend, he is missed every single day.

Family and friends may call at the Leo M. Bean and Sons Funeral Home
