“ I am so sorry for your loss. I remember Rick from my first "real job" at United Cerebral Palsy. He also worked with my mom. Although it was many years ago and I was very young, I still remember being impressed by his intelligence and drive. I will keep you in my prayers. Please accept my deepest sympathy and may you draw peace and strength through prayer to the God of all comfort. (Philippians 4:6,7; Acts 24:15; Revelation 21:4)

“ Ron and I are honored to have known Rick. He was very compassionate, thorough, and still had some humor with life. Ron knew Rick through the college as a member of the Batavia Area Jaycees and also as the owner of Sterling Tent and Awnings. Sandy knew Rick as a Board Member of the Genesee Area United Way. They served together on the Allocations Committee for many years. We were saddened to learn of his illness and now his passing. We regret that we are out of state at the time of his services. We will remember his family and past co-workers at the college in our prayers. Please accept our condolences.
