Richard was born on 7-29-1949 and was tragically taken from us on 4-7-2021.

Rich graduated from Gates-Chili High School and shortly after started his career, following in his father's footsteps, delivering bread for Millbrook Bakery and later moved on to Wonderbread, where he worked for over 30 years. He then worked for a private company until the day he died.

The news reported he was an ELDERLY 71 year old man. The TRUTH is he could have ran circles around a 17 year old kid. (He was jumping on a trampoline last summer with his great-granddaughter, Gracie, who was named after his mother, Grace.) When he wasn't spending time with his wife, children, grandchildren and the light of his life, great-granddaughter, Gracie, he was playing cards with his friends.

Rich would light up a room when he walked in whether it was his family or friend's house or his daily stops he made for work. He would give you the shirt off his back and even the Ho-Ho's and Twinkies off his work truck. Story has it he retired. We seem to think he got caught. How do you sum up a lifetime of memories and accomplishments in a few short paragraphs? Rich was full of life and energy.

Richard Mathew Sciascia was an AMAZING MAN!!

“ Though our paths rarely crossed as we grew older, when they did, he always made an impression on me as being a kind, loving person. When we did see each other I was always greeted with a hug and a kiss on the cheek. Dear Fran and Shawn and family, our prayers are with you all. He will always be remembered as the wonderful person that he is. May God give you comfort and blessings during difficult and sad time.

“ To the entire Sciascia Family:

*It is with great sadness and disbelief that we express our deepest and heartfelt condolences to the Sciascia Family and extended family:*

*During this difficult time, please know that our thoughts and prayer are with you all and Richard. Although, we have not had the privilege of meeting Richard personally, but through our dearest and closets friends, the Ferrara Family, have heard many beautiful stories, and what a wonderful person he was, it feels like we knew him. Through all the stories, what stands out the most was what a kind, sweet and giving man he was to you and to others and how loved he was by his family and friends.*

*May his spirit give you the strength to carry on and to know that he touched so many people, he will always be with you in spirit.*

*Our deepest and sincere condolences to you all. May he rest in peace.*

*Sincerely,*
