

Rita Sylvia Kanaley (McCarthy)

August 13, 1950 - October 5, 2024

It is with profound sadness that we announce the unexpected passing of Rita Sylvia Kanaley (McCarthy) on October 5th, 2024. Rita was born on August 13th, 1950, in Southampton, England. She was the Queen of Kindness, Seller of Treasures and had the Gift of Gab. Rita loved chatting and laughing with everyone.

She is survived by her husband, Joseph Kanaley; children, Stacy Kanaley, Aaron Kanaley and Sara (Laurence) Kanaley-Carty; special family friend, Justin Pacheck; granddaughters, Isabella Pacheck and Bria Carty; brother, Richard (Sue) Loson; cousin, Sandy (Rich) Withers; special family friends, Kathy Smith and Tom Montesano; family both in England and Ireland; her Country Junktion family; many nieces and nephews; and so many people that she touched. She was preceded in death by her mother, Nora Loson; father, James McCarthy; step-father, Norman Loson; and aunt, Muriel Scott.

Rita was born in Southampton, England and came to America when she was 9 years old. She was a loving wife, mother, sister, aunt, and friend to so many people. Rita loved to give and give; she had a gentle heart. She was a beacon of kindness, a friend to everyone, and an amazing soul who touched the lives of all that she met. Her wonderful spirit and positive outlook on life were contagious, and she had a unique way of bringing joy and comfort to those around her. She had a knack for making people smile and becoming instant friends. Rita had the biggest heart and made it her mission to bring everyone surprise gifts. She loved spending time with her granddaughters, Bria and

Izzy. Her favorite things were primitive antiques, driving her son nuts, and making friends with everyone she met. Rita owned her business Country Junktion, for many years, both in Caledonia and in Churchville. This was her happy place, and she made lifelong friends who would come in just to chat with this amazing woman. Lovingly called “Cheeser or the Big Cheese” by her family and friends, she was like the mayor, and she made sure she knew everyone by name. This is a great loss for the people who knew her and a devastating loss to her family. She was a real-life angel, and all were lucky to have known her.

Family and friends are invited to call on Saturday, October 12th, 2024, at Leo M. Bean and Sons Funeral Home, 2771 Chili Avenue, Rochester, NY 14624 from 10:00am – 1:00pm. Interment will be held at Creekside Cemetery at 1:30pm in Churchville, NY following the calling hours. In lieu of flowers, the family requests donations be made to the American Heart Association, in honor of Rita Kanaley.

“ Mom,

I can't believe it's been a month since you left us. It doesn't seem real. Bria has asked about you and I tell her that you are an "angel in the sky with the clouds" and that you will always watch over her. We will forever miss and love you! We will share the great and "goofy" things that you did for all of us. Until we meet again Mom

*Xoxo
Your daughter Sara*

“ Rita was a very special person. I haven't seen Rita for approximately 50 years but I can still feel the warmth of her beautiful smile and loving personality! I met her under unfortunate circumstances. My first born son was born with a heart problem and we spent the first year of his life at Strong Memorial hospital. During that time a dear friend introduced me to Rita. She became a very comforting and dear friend always helping me get to the hospital and spending time helping through a very rough time in my life! I was very young, 20's and she became my support in dealing with a very sick child. I will never forget what she meant to me then and she will always live in my heart as a pillar of strength and comfort to me. Prayers and much love to Joe and her family. A beautiful Angel inside and out! 🙏🥰 Janet & John DeVito

“ Rita was the sweetest lady who loved her family and loved people. She always had a smile and it was always a pleasure talking to her or getting messages from her on my messenger. My husband is Joe's barber and she made his appointments so we always had a nice chat. She sent me the cutest stuff on messenger including proud pictures of her little granddaughter. She was always so thoughtful when we bought the strawberry rhubarb jam from her shop. She was always give me an extra for free or send Joe with a jar for us at Christmas. She will be missed by too many people. Our hearts go out to Joe and her beloved family. Know that she has a special place in heaven because she was an angel on earth 🙏💕 Sorry we couldn't make the calling hours. Know that you are all in our thoughts and prayers. May your treasured memories of Rita bring you comfort, peace and smiles back to your faces as your pain is lessened with the help of God's grace 🙏

“ I was shocked to learn of Rita's passing. How mom and I loved seeing Rita at the house sales and later at Country Junktion. Rita always greeted us with her beautiful smile and always made us feel special and loved. She had such a knack for decorating and taught us to love and appreciate primitives. Know that she will live in the hearts of all of us that she touched. Heaven has gained an Angel.....my condolences to Joe and her beloved children.....

“ *My husband Dave worked with Joe at the Xerox toolroom. One of the first times we met Rita was at a company holiday party. Rita asked if we had any children. To our surprise, a few weeks later, each of our young girls received letters from Santa! They were ecstatic! We found out later, Rita sent them! This thoughtful act shows how special Rita has always been. Our deepest condolences to Joe and family. May her memory be a blessing.*

“ Having known Rita for so many years, I can wholeheartedly agree with every word of her obituary. Whether a customer, vendor in Country Junktion and/or The Peddlars Market or a friend of a friend, Rita was always smiling!
I will never forget the first time I was in her store and saw all of her signed photo's from the cast of Little House on the Prairie! It has always been my favorite show and I was green with envy! I hung on every word she shared with me about meeting them!
I will miss her tremendously and she will always be in my heart...

“ Thanks big sister for the GI Joe when I was 10. Even though after opening paper, you told me that's not what was in the box. But it was. Yes I still have that GI Joe. You will always be with me.
