“ There is so much to say about my incredible Buddy it would take a book. We've shared many great moments and the memories will last forever. Generosity is an understatement and laughter constant. He taught me patience and We shared love of family. So fortunate that our families are so close children, grandchildren ,can't say how proud he was and I am of all of them. There is no better person than Bob Bell and no better family than the Entire Bell family. Rest in peace Bob you will never be forgotten.

“ After getting to know Bob, he not only became your friend, but your father. His attributes as a man and qualities as a person far exceeded his success in business. This world could use a whole lot more Bob Bells'.

“ To Sandy and the whole Bell clan. Thank you all for your excellent care of Bob. I know he appreciated it. Care givers are strong people. Now it is time to mourn and heal. Bob was a very generous man. Letting us stay in his beautiful lake house. We were lucky to be included with the Schwab family for a week stay each summer. Give heaven hell Bob and have a good drink with Dick. Tell him we miss him. Love, Kimmie

“ Although my interactions with Mr. Bell during my time working at AQ were brief, the impression he left me with was everlasting. He always greeted and departed with a warm smile and a handshake. Not being an AQ grad myself, I did my homework before our first meeting. This giant of a man, this legend, this family namesake "💎. Treated ME like the most important person in the room. I later learned, that's just how he was to people"💎always. Mr. Bell's humility and kindness is the stuff of a good man and a beautiful soul. May he forever Rest In Peace. My sincere condolences to the Bell family and extended many friends.
