Bob was a proud Navy veteran, but he will be most remembered for his devotion to his wife and family and his enduring faith. His faith guided him throughout his life and was evident in the way he lived and loved. He found great joy in the outdoors, especially fly-fishing, golfing, and spending time at the cabin that he built in Danby, New York with his six boys. That cabin stood as a lasting symbol of his hard work, love for family, and the life he built with care and purpose.

Bob continued to build meaningful friendships throughout his life, even in his later years at Georgetown, The Village at Unity and The Hamlet. Everyone he

met quickly became Bob's best friend, a reflection of his warm spirit and genuine love for people.

Bob's family would like to thank the Villages at Unity and The Hamlet, Unity Hospital and Monroe Community Hospital (Faith Hospice) for the extraordinary care and compassion given to him.

Family and friends may call at the St. Monica's Church, 831 Genesee St. Rochester, NY 14611 on Wednesday, March 25th from 10-11am. Funeral Mass to follow calling at 11am at the church. “ *We were fortunate in getting to know Bob (Grandpa) over the last several years. Grandpa was a proud Irish-American who had a strong faith and a deep love for his family. He would greet you with a smile and a friendly handshake. Grandpa loved people and they loved him back. I am certain that he looks down on us, from above, with great pride and love! Grandpa will be greatly missed! ❤️🍀 The Farnett family*

My condolences to all the Mulcahy family. We sat in front of all of them at St Monica's many years ago. When my two girls would get itchy those big arms would come from behind us and he'd say he needed some girl time! He always asked about them and all of us remember him fondly. Peace to all of you. “ I will greatly miss Bob! He was a bright spot at The Village and loved by all. One of my favorite memories was when we got stuck at Hidden Valley Animal Adventure and Bob was my co-pilot back. He was a compass. Knew exactly where we were, pointed out all farm equipment and the costs, and told me countless stories. He was always up for an adventure! He deeply loved his late wife and children and grandchildren. He talked about you all, often. Rest in peace, Bob. You will be forever missed.

“ Oh Bob,
What a good friend you were. You were a mentor and shining example to everyone who crossed your path. I still recall when you wore the Badge, my father put you up to stopping by on Monica St. and threatened to arrest me and my buddies for playing penny-ante poker on the porch. We were twelve.
We know you had a fast track to Heaven. Please give my cousin Peggy a Hug for us.
RIP Bob,
Frank and Janet

“*Oh this just breaks my heart to see and read. How we both lit up when we saw each other when I came on shift at the Village at Unity and then Hamlet, always sealed with a hug. Was a pleasure, pure pleasure to know, spend time with and share stories of life's traveled paths. Now you are on to new paths - and renewed paths with family who have been waiting for you. Bob, you are well worth the wait. A pure gem to know and enjoy of which I truly cherish. RIP my friend. <3*

“*To the entire Mulcahy family you each have been through a lot over the years, but may the memories you have surround you with much love. Bob and Peg gave me my nickname and I will always cherish it. Remember their smiles and share them during the rough times. Peace.*

“ I met Bob during my recent 2 month stay @ The Hamlet. I immediately loved him and his sincere gentle way. Therefore, I was so sad to find out he had passed, but thankful to know of his joy of being again with Peggy, his love. I have been gone from The Hamlet about 5 weeks, and Bob is the third individual to pass in that time. It is a realistic reminder of how precious life is, and how thankful we should be each day. God bless all of Bob's beautiful family, and now I pray that he may rest in peace.
