

Ronald Clive Earle

April 26, 2023

Wednesday, April 26, 2023. Survived by his loving wife, Beverly; children, Sandra (Rodney) Rogers, Karen (Scott) Reber, and David (Darlene); grandchildren, Jacob (Laurie), Emily (Nick), Graham (Kara), Brenna, Kelsie, Luke (Brandon), Spencer and Isaac; great-grandchildren, Lewin and Boden; and many in-laws, nieces, nephews, cousins and dear friends.

Ron Earle was born on September 28, 1938, in Buffalo, NY, to Virginia Mae Anderson and Clive Charles

Earle, Jr. His loving grandparents were Anna Peterson and Edwin Anderson, and Louise Feiler and Clive

Charles Earle, Sr. Growing up, Ron was active in his church, DeMolay and Boy Scouts, he was even an

Eagle Scout. Ron was on the swim team and football team in high school and graduated from West

Seneca High School in 1956 as Vice President of his class.

Ron met Beverly Linda Black in elementary school and eventually invited her to the Junior Prom; the rest

is history. They were married on August 22, 1959. Ron and Bev moved to East Lansing, Michigan for

school and Ron graduated from Michigan State University. A job opportunity brought them to

Rochester where Ron worked as a construction/building engineer at Matthews and Fields, then Caldwell

and Cook, Rochester Telephone, and Energy Enterprises, Inc. Ron was the general contractor for their

current home and did much of the finish work. Due to his love of learning, Ron later earned his MBA at

RIT.

Ron loved cars, music, football, the Buffalo Bills, games, travel, and trivia. However, what he loved most

was being with his family. He cherished his wife Beverly and three children, Sandra,

Karen, and David,

their spouses, grandchildren and their spouses, and great-grandchildren. They were blessed to have him

as a husband, dad, and Poppa. Ron was a great mentor and leader of his family. Ron was also a man of

faith. His strength and wisdom were a source of comfort to many.

Ron was a man of many talents. He was an exceptional athlete, playing many sports, competing in

racquetball for years and swimming every day until months before his passing. He also liked to share

about when he played lacrosse against Jim Brown in college. In addition, he was a logical thinker and

mathematician, which made him great at trivia and more importantly an exceptional homework coach.

Ron will be greatly missed for his family prayers, his wisdom, and his wit. Many have mentioned his

smile, kindness, gentleness, and strength.

We are grateful for the time we had with you. Love you always.

“ Ron, Bev and I knew each other through West Ave. United Methodist Church where we raised our children, sharing many joyful times, at Watson Homestead, picnics, holiday celebrations, church dinners & skit night - Ron and I sang in the church choir as well. I loved looking at the pictures below and remembering Ron through the years. Thinking of you, Bev, and your girls as you take this journey without Ron - find comfort in knowing these are temporary partings.

“ Deepest sympathy to Bev, and family. Ron was the definition of a good man. Always kind. Always loving. Always caring. We will miss seeing him at church and at the YMCA in the pool.
