“ Our family has many wonderful memories of our times with Uncle Ron. He had a way of making us all feel special. Our children remember him being a good listener and always making sure they were included in whatever was happening. He was a role model for our family. Having a wonderful conversation with him in August is a moment never to be forgotten. Our condolences to all.

“ We have known Ronald and Paula for almost 20 years. They shared their house with us and hosted us for about 2 years. Kindness of their hearts covered us as a cozy blanket and we felt that we had a family and a house, though we lived thousands miles away from our homeland. They are the people who did not preach and talked about their love to God and people much but they proved to be the people after God's heart by their deeds. Ron was the person who gave our daughter Jessica her very first ride on the third day after she was born as he picked us up from the hospital. His life was the witness of God's grace. We send our love and hugs from abroad to Paula and look forward to seeing Ron up in heaven. There will be no visas, no time difference, no distances, no tears and pain and no wars. Look forward to seeing all the faithful ones there.

With love,

Peter, Yana, Jessica, Daniella and Emily

“ The memory we will always picture in our mind will be those of Uncle Ron capturing precious photos of family. We treasure those beautiful memories. He will be so missed. He checked all the boxes of what it means to have good character - including; being humble, funny, thoughtful, strong faith, supportive, and so very loving. Uncle Ron will live on through the love he brought into our lives. May God Bless you and keep you in his care. Forever missed by Rose and Mike.

“ We became friends with Paula and Ron many years ago. They were extremely gracious to host a couple from Roberts Wesleyan College in their home for two years. We have many pleasant memories of eating around their table, playing games in their backyard on Palmer Road, hearing Ron tell stories of his childhood in Buffalo, going on picnics in Letchworth Park, meeting their family, hearing talk of RIT days and his work in printing. Ron was an optimistic, thoughtful, loyal friend for all of us. He was an example of a life well lived. He will be greatly missed by all who knew him!

“ I considered Ron to be a good friend. Good friends are hard to come by. Over the years we enjoyed a lot of things with Ron and Paula. I liked talking with Ron about photography, film, and cameras. Enjoyed many nights playing Euchre. Enjoyed going on many wine tours and riding in the Lincoln Town Car. I liked going to the summer concerts at Deer Run winery. Always had a great time at Ron and Paula's New Years Eve parties. Ron always impressed me by having more Black and Decker tools and batteries than anyone I know. I will miss him. Bob Panik
