“ *Brenda, I'm sorry to hear about your loss and I know there is now a void in your heart. I pray that you will remember all the happy memories of the past 3 decades and remember that Roy would remind to take a deep breath and carry on one foot in front of the other. Remember that you have a friend in Jesus who shares your grief and sorrows and that He will bless you with a peace that surpasses all understanding. The Lord bless and keep you always. - Love Harry O.*

“ Dear Brenda,
Roy was a special person and his love and kindness will always be remembered.
i would like to share a couple of my favorite memories we shared in Pennsylvania. The first was the photo of the "oldest pin-up girl" in history
(remember on the back of his truck. The other was the year I decided
not to put up christmas decorations. You and I went shopping (groceries,
I think) when we returned home Roy was standing in the front yard we the
biggest little boy grin ever; he had put up my inflatable Mickey Mouse
Santa sled.
I also remember his wickd sense of humor, that always made everyone
feel better, specially his satirical political commentary.
Benny although I can't be there in person know my love, prayers
and arms
are embracing you.
Love you
Ann

“ Dear Benny and Family, Roger and I are so sorry to hear about Roy's passing. What a nice guy and always thoughtful and generous to all. Always had a good time at football and volleyball games. Roy was very proud of his grandchildren and was the only person I knew that had a train in his front yard. Our thoughts and prayers are with all of you.
RIP Dear Roy.
