“ *Sending love and comfort to the family for such a great loss. Aunt Sandi was always a spunky lady who wasn't afraid to speak her mind! She was very caring and giving, and her comments were always good for a laugh :) She gave me some of her Xmas decorations years ago that I put out every year and think of her fondly. My memories are full of growing up going out to the Scottsville house and many, many Smith Family Picnics. May her memory live on in all of us!*

“ *May cherished memories of your mom bring joy and comfort to you all. It was a pleasure to work with her at Wheatland. She made the best chocolate chip cookies and would send them in to school!! I still use her recipe. A sweet lady.*
