“ *My name is Rick Paolucci, I had the pleasure of working with Scott for the past 4 years as a bus driver. I can't tell you how many wonderful talks and laughs we had together. I remember my first day around 6 am I was standing outside one of the Bay doors at the bus garage contemplating if I should work here or not. Scott walked up to me with that great smile on his face introduced himself and said, first day? I nodded yes it is, he said you will fit in just fine Welcome my Friend. I'll never forget that day. That's one of the reasons I'm still working there. I didn't get a chance to pay my last respects on Friday and I am sorry. I will never forget Him my Prayers to you and your Family. Peace be with you now my friend.*
