“ *Doug and family. I was saddened to hear of the loss of your Mom. Our moms were wonderful friends at the Legacy, and my Mom enjoyed many hours of card playing, etc. with your Mom. Condolences to you and your entire family.*

“ Judy, Janice, Doug and families, was sorry to hear about your mom. I will always have fond memories of my time with her and your dad at the clam bakes. “ Sheila and Dick have always been such great relatives to visit and talk with. You always felt welcome in their home. I attended their wedding along with my parents (Uncle Wilbur and Aunt Joam to them). It will be a large empty spot in the family and we will miss her a great deal. My prayers go out to all of your family as you grieve. I know how hard it is to lose your parents - you never really get over it. Yes, time does heal but thank goodness we never lose our memories of them.
