Steve Rebman

On Saturday Jan. 4th 2020, Steve Rebman, loving husband and father, passed away at age 65 after a 10 year battle with cancer. Born June 20, 1954, Steve married the love of his life Patricia in August of 1974. They raised two sons.

Steve touched the lives of many, while rarely asking for anything in return. He was known for his exemplary work ethic, selflessness, and humility. He had a unique ability to make light of any situation and befriend anyone he came across. Traveling with his wife and sister-in-law and working on home renovation projects with his sons is what he enjoyed most. During his more than 40 years of service to Suit-Kote, Steve has left a profound impact on his fellow workers, which is evidenced by their dedication and admiration to their friend and leader.

Steve was preceded in death by his parents Oscar and Barbara. He is survived by his wife Patricia, sons Erik and Brian, brother Rodney, special sisters-in-law Janet Birmingham, Judy Sigl, and several nieces and nephews.

An informal gathering of family and friends to exchange fond memories will be held on Friday, Jan. 10th at Leo Bean funeral home on Chili Avenue from 6-

8pm. In lieu of flowers, donations to Wilmot Cancer Center will be accepted in Steve's honor.

“ I would like to offer my most sincere condolences to the entire Rebman family. Steve was an intricate part of my service to the Town of Webster as Highway Superintendent. We were both new to our positions at the time we met and accomplished many successful projects together. His knowledge and demeanor were always evident and a huge part of who he was as a man. he will be sorely missed in both his professional and personal life. His smile and laughter will always be with me.

“ Pat, Erik, and Brian,

Steve always had a smile on his face and a kind word for everyone he spoke to. He was so proud of all of you and always updated us on his boys...you were the light of his life and he shared that whenever we saw him. We just can't believe he's gone. He fought the cancer longer and harder than anyone could be expected to, showing strength and determination that is just out of this world. He was a kind and gentle man with the heart of a warrior, and he fought to stay with you as long as he could.

We're thinking of you and hope that you can find peace and comfort eventually. I hope you remember that it's ok to grieve, and be mad, and talk to him, and go through all of the crazy emotions you'll be going through in the days to come. Just know that he's always with you in your hearts.

We will always hold a special place in our hearts for him as well, and always look up to him and respect him for his will to live and his tenacity in the face of adversity.

*Sincerely,
Eve and Tim Hens*
