What beautiful wedding picture. Your mom was a wonderful person. I remember good times at the lake and sleeping over. She always had good meals. Sincerely Amy "Majchrowicz" Brehm

Sylvia always welcomed me to her home here in Florida when I vacation from New York. I would stay for a couple months and she always made me feel comfortable. She was a true friend and I'll definitely miss her. I did have an opportunity to visit her a couple times in New York and although she didn't remember me that smile was always there. God bless her and the family for their loss.
