“ Tommy was the first of my cousins I met in the USA. Both my parents and I had just stepped off the US America ship back in 1969 from the UK...He picked us up and drove us all the way from NYC. to Rochester.... He was always so kind to us.. The one thing that sticks in mind is that he looks a lot like my own father Aniello. He will always be a part of my life and I will miss him. My sincere condolences to the family.
