“ Brady Family,

I was saddened by the news of your father (Uncle Tim) and can only imagine the sadness and grief you are going through now.

I thought of all the fun memories I have as a kid spending time with your father and mother, aunts and uncles, and all of you, my cousins, over many 4th of July weekends. Wonderful memories. Although I won't be there for the funeral and services later this week, I will be keeping all of you in my thoughts and prayers.

I love you all and hopefully will get a chance to see you one day in the future so we can enjoy the memories shared so many years ago.

“ Words alone can't express the sorrow and grief we feel but saying nothing isn't an option.

Our heartfelt sympathies to all of Tim's family and friends.

Tim was a gentle soul who always welcomed us with open arms and a warm smile. We are better people for knowing Tim.

Rest In Peace.

“ Mark and I send our love to you all. I remember when Sandy was telling us all about the planning of the trip to Disney. She said it was like a military operation. Then, after the trip, she shared how happy she was with the way everything worked out. That trip meant so much to them. It was everything for them to be with their family. When I think of Tim and Sandy, family was everything. Everyone who knew your parents will miss them so much.

“ Dear Cathy, Chris, Aaron and Elizabeth, and grandchildren. We have known your family for over 45 years and we are saddened for the loss of your dear father. Your parents were wonderful and they were so proud of you all. It was our pleasure that we had the joy of knowing both of them. We are sorry that we are unable to attend any of your dad’s services but we send our sympathy, prayers and love, Jan and Bob
