

Timothy J. Holler Jr.

June 15, 1980 - April 9, 2022

It is with unspeakable sadness and broken hearts that we say goodbye to our beloved son, brother, uncle, and grandson, Timothy Jon Holler Jr, who passed away on Saturday, April 9, 2022, at the age of 41.

TJ was born on June 15, 1980. As a child, he loved playing school, acted in several school plays, and participated in the fire explorer program. He graduated from Gates Chili High School in 1998, went on to Monroe Community College where he studied Criminal Justice, and graduated from SUNY Brockport on the Dean's list with a bachelors degree in in Criminal Justice and Sociology. He was a compassionate and kind man and an advocate for those in need. Tim devoted his professional life to serving the community through his work at the Legal Aid Society, Empire Justice Center, and AIDS Rochester. Throughout his career, he assisted clients facing eviction and provided support and services to community members in need. These experiences ultimately led him to One Star Foundation to make an impact on his new community in Austin, Texas.

TJ was adventurous and always willing and excited to try new things. He loved to travel and certainly enjoyed the finer things in life: dining out, shopping, and designer clothes, as well as the simple things: a good laugh shared with a friend or relative and the companionship of his pets. Tim was a lifelong animal lover, his dog "Rizzo" and cat "Secrets" were his loyal

companions.

Tim's love for his family, especially his nieces, was a love like no other. He had a special and unbreakable relationship with his sister and father. Tim would call his grandmother every Sunday, even as an adult. TJ was a talented writer and gave a heartfelt and unforgettable speech when he stood up as the best man in his father's wedding. He was kind and thoughtful. His infectious laugh and beautiful smile left an indelible mark on everyone. He will be deeply missed by his family, friends, and all that knew him.

Predeceased by his grandfather, Marvin Holler Sr. and uncle, Wayne Holler. Survived by his father, Timothy J. Sr. (Tracy); mother, Marjorie Kucy; sister, Shannon (Andrew) Rose; brother, Dylan; nieces, EmmaMarie, Liliana and Zoey; grandmother, Patricia Holler; and many aunts, uncles, and dear friends.

Family and friends are invited to call at the Leo M. Bean and Sons Funeral Home Saturday, April 23rd from 12-2pm. In lieu of flowers, memorials in Tim's name may be made to the Humane Society at Lollypop Farm, 99 Victor Rd. Fairport, NY 14450.

“ Such a shock to hear of Tim's passing. We were looking forward to his upcoming visit and hoped to have a get-together for him. Waiting for him to set the date and help with the guest list.

Rita worked with Tim at Empire Justice and recruited him to join us in our political activities. He served as a campaign treasurer, a candidate for office, and eventually led the Greece Democrats.

We looked forward to seeing him again... it'd been too long. oh well.

“ I am in disbelief that you're gone. You went from being my boss to a great friend that I could count on. You even got to know my kids and my family and that meant a lot. My girls are saddened by your passing and I am really going to miss you, your text messages to check up on us and make sure we were doing well and your great sense of humor. I'm just going to truly miss you Tim. May you rest in paradise.

“ *RIP, Tim. You were a good friend and a good person. I will truly miss you. When we met, it seemed unlikely we would even get along, mostly because i don't as a habit get along with people and there was no reason for you to be an exception, especially since you were in charge of a grant I had to deliver on. But, you were a charmer and as it turned out, we had many things in common - an off beat and occasionally inappropriate sense of humor, an above average need for caffeine, and sarcasm as a first language, to name a few. I will miss your quick wit and kind heart. My deepest condolences to your loved ones who have suffered a great loss.*

TJ was one of the kindest most sensitive young man. I loved talking to him at family gatherings. May you RIP. I know you will be watching all your beloved family and friends from above, you will be their angel on their shoulders ❤️

“ *Even though we met as adults, I feel like we grew up together. We talked about everything and nothing. We laughed for hours until our faces hurt and I couldn't breathe. We loved animals and designer stuff. In our travels, we were constantly looking for the perfect place to retire together. You will always be in my heart, my dearest friend. I'll see you in our next life. xoxo*
