“ Voula,
I am saddened to hear about the loss of your Dad. He is at peace now but I know first hand this does not make your the loss of your Dad any easier. May you and your family find strength and peace in all your wonderful memories of him during this most difficult time. I'm sorry I did not have the pleasure of meeting your Dad in person however I did have the pleasure of eating his figs. May your Dad's fig trees always be fruitful in his honor.
With deepest sympathy,
Maria
