“ A perfect example of what kindness and love means. Never bad thing to say about anything or anybody. Always had that funny little laugh and was always ready with the coffee pot. We lost a wonderful and truly loved person. Love you Vilma, and have a brand new 2021 stick coming your way.

“ Dearest family,
Your mom will always be remembered for the joy she brought to every occasion. Such a kind, loving person whose deep love for her family and friends was evident . I know Aunt Rose and Kay are especially heartbroken and we all share in that sorrow. Love to you all. May she rest in eternal peace.

“ I am so sorry for your loss. I loved your mom and she loved everybody. The only consolation is I know she's resting peacefully in the Lord's hands. She left three wonderful children spouses and grandchildren. Her life will live on through you.
