Beeman, William Lou Donavon

Spencerport: April 4, 2014 - March 18, 2016 after a courageous battle against brain cancer, Willie Bee died peacefully at home surrounded by his loving family and wonderful medical team.

Predeceased by his Grandma Lucy and maternal grandparents, Russ & Donna. Will is loved fiercely and will be missed by his parents, Clay & Christine; 5 year old adoring brother, Luc; paternal grandpa, "Bampy" Scott Beeman; his great grandma, Priscilla; and many aunts, uncles, cousins and friends who love him deeply.

Will was a resilient little boy who defied odds. He demonstrated happiness and courage despite all of the obstacles he endured. We would like to thank Dr. Korones and Dr. Klier, Will's nurses, therapists and caregivers who loved him and us and who made us feel like Will was their only one. We would also like to thank Golisano Children's Hospital, especially the staff of 4-3600, Lifetime Care nurses, the Compassion Net Team and the CURE Childhood Cancer Association for their kindness, love and care; We would also like to thank family and friends who have supported us these last 21 months. We have much gratitude and appreciation for all that has been done.

Friends are invited to a Celebration of Will's Life, Monday 10 AM at the Boetcher Lodge at Pineway Ponds Park, 2200 N. Union St., Spencerport. In lieu of flowers, please consider donations in Will's memory to Christopher's Haven, 1 Emerson Place #2N, Boston, MA. 02114.

Will, we love you with all our hearts.

"Love without end"
