“ *i am not sure that William is related to Marie Hochreiter but I wanted to say what a privilege to have known Marie. She lived on Simmons Street off Howard Rd in Gates way before we moved there. It was wonderful and knowing Marie for a long time. She always cared about people. I know God has prepared a special place for special people as you, Marie and your family. God bless you forever.*

“ *Eric, your dad was my role model at Eastman Kodak. His technical ability and interpersonal skills were above all. I am sure he will be greatly missed in your family but you should be proud of his accomplishments in life and his help for others.---*John

“ *Bill, Terri and Family,*
We are sorry to hear of you Father's passing. Your Dad was a cool guy that we will remember by his Father/Son teamwork projects like building dune buggies! In these difficult upcoming days you are in our thoughts and prayers.
