“ *I met Bill & family when I was a teenager. About 40 years ago . He was such a nice (sweet) person. He always had a big smile on his face an a loving spirit. I really enjoyed when him and Johnny Willis would sing ..And of course Billy would play his Base (?) guitar . It was always a blessing to hear them together. When we get to heaven we can hear him again keeping the music together..❤️ I pray for comfort and peace for Carolyn and all the kids and grandchildren & great grandchildren . My Love and Prayers are for you all !!*

“ *Bill was the most non-judge mental person I know. He loved you and cared for you in the most positive ways and when I was going through breast cancer he called me often. I will definitely miss his constant smile, laughter and cheerful way he gave to everyone. He loved Carolyn and his entire family.*
