“ Linda so sorry to here about Bills passing. We will all miss him he was one great guy and did so much to influence the young students to have positive attitudes about having a good career. Hope to see you this summer at our family reunion.

“ Sadden by the loss of a great teacher. I didn't get to interact with him much during my MCC career afterwards, but his classes were always enjoyable and he had such a great fun attitude.

“ *Bill was a dear friend and colleague for over 30 years...I will always cherish the MANY, MANY, hours we spent together at concerts, MCC events, and especially at our regular Friday afternoon "seminars" where all topics political, sports, music and many others were "discussed"...these discussions often reached a decibel level that was not appreciated by everyone else in the area, but how I will miss those times, and my friend...all my love goes out to Linda and the entire family...my Wife Jeanette also sends her love to everyone...Bill & Jeanette Brindle*

“ To Linda & All in the Yanklowski Family, I loved Billy and always had the most wonderful times with him like playing poker, playing music together, talking politics, discussing investment strategies, having dinners out and enjoying each other's company. Really have known Bill since the 1970's and got closer and closer as the years went bye. A truly sincere and honest individual with great integrity and character. A religious man who has always honored and glorified Our Lord Jesus Christ and lived his life with morals, high ethics and humility. He touched my life in many ways and was a true friend and confidant. You will be missed my friend, but memories last forever. I hope to be with you again in the heavenly Kingdom. God Bless Everyone and may your memories give you strength, courage and drive to follow in the foot paths of Bill; husband, Dad, Grandpa, Uncle and FRIEND.

“ Billy is my 2nd cousin. The last time I saw him was at my Aunt Marie's for Aunt Karen's funeral. My Brother and I talked to him on the front porch for about 3 hours. He had the cancer and we talked about it. He said he had a good life got to see his kids get married and got to see his grandkids he said he thanked God for that and said he has a good and loving wife. He was very thankful for what he had. Rest in peace my Cousin God has you in his hands.
