“ *Uncle Mick- I am so sorry for the grief that you are going through! Rich and I are praying for strength for you (and your family) in the fondness of your memories together with such a lovely lady. I will personally NEVER forget the kindness that you both showed to me before I married into the "Houskamp clan" and the many times you continued that kindness over the years. She was certainly the best of the best!*

In Love and many prayers~ Rene'
